John,

We will need to look into this validation.

Fred Foreman, Chief  
Technical Services Branch

Subject: Request for Data Validation of Tier IV Lab Data for Dimock Residential Well Site

John,

Attached is a request for Data Validation services for Tier IV-procured laboratory services. If EPA/ESAT can provide the services, please provide the assigned DAS project number(s) as soon as feasible so we can get the Forms2Lite set up accordingly.

Thanks.
